Indigestion May Be Due to Constipation

Neglect of Important Function May Seriously Impair The Health.

There are many people who believe they suffer from indigestion when their discomfort really is due to a constipated condition.

Bloat, with its attendant mental depression, sick-headache, the belching of sour stomach gases, etc., are frequently due to inaction of the bowels. Relieve the congestion and the trouble usually disappears. The use of cathartics and purgatives should be avoided, however; these shock the system unnecessarily and, at best, their effect is but temporary. A mild laxative is far preferable. The compound of simple laxative herbs known as Dr. Caldwell's Syrup Pepsin and sold in drug stores for fifty cents a bottle, is highly recommended. Mr. Benj. Bassin, 354 Madison St., Gary, Ind., thinks Dr. Caldwell's Syrup Pepsin a wonderful medicine; for four years he had a severe case of indigestion and constipation before trying Dr. Caldwell's Syrup Pepsin, which he is glad to recommend to anyone who suffers with stomach and bowel trouble.

BENJ. BASSIN.
A bottle of Dr. Caldwell's Syrup Pepsin should be in every home for use when occasion arises. A trial bottle, free of charge, can be obtained by writing to Dr. W. B. Caldwell, 454 Washington St., Monticello, Ill.

Thanksgiving Feasts Given Thousands of Poor Persons

Homeless and Orphaned Treated by Charity Bodies and Gospel Missions—Appropriate Exercises and Athletics Are Enjoyed by Old and Young.

There was no cornering of the market in Thanksgiving cheer in Washington yesterday. Every homeless waif, orphan and down-and-outer was privileged, one day, to receive a hearty meal at one of the numerous missions, the Salvation Army post, or charitable institutions.

While the smoking turkey adorned spotless tables in the White House and the well-to-do residential districts of the city, a hungry swarm of thinly-clad people, many of them the dogs of the city's population, swarmed about the tables of the Salvation Army headquarters on Pennsylvania avenue, the Gospel Mission on John street and the Central Union Mission on Louisiana avenue.

Wards of District Happy.

Wards of the District, including the hundreds of boys and girls in the industrial training school colonies, were cheered by the observation of the day of Thanksgiving. The District officers proved themselves royal hosts and the boys and girls of the correctional institutions were jubilant over the turkey, the cranberry sauce and the apples. The children to which they were liberally treated. A full holiday was observed by the inmates of the workhouse and a royal dinner of entirely home-grown products was served by Supt. Fay at the Blue Plains Home for the Aged and Infirm.

The celebration at the Industrial Home School included a program of appropriate exercises preceding the big dinner. The Thanksgiving Day proclamation was read and "America" was sung. Football was a part of the afternoon celebration at the National Training School for Boys, the Industrial Home School, and the Blue Plains Industrial Home for Colored Children. The National Training School

for Girls introduced a new feature in a game of baseball between two cottages. Thanksgiving dinners, with appropriate exercises, were served in the temporary home for former Union Soldiers and Sailors, the Washington Asylum Hospital, and the Tuberculosis Hospital. Children at the St. John's Orphanage, the boys of St. Joseph's Male Orphan Asylum, the girls of St. Vincent's Female Orphan Asylum, and inmates of the Washington City Orphan Asylum, and the German Orphan Asylum were given a real cause for thanksgiving in the exercises and good things which made up the day's program. The effort to make the children of the orphanages happy was put forth in practically every institution in the city.

The Salvation Army headquarters on Pennsylvania avenue was a busy place yesterday morning. The day opened with free breakfast for everybody and a line of men, women, and children kept Adjutant Louise M. Brazier and her two assistants busy giving every comer a portion of pork and beans, potatoes, sausage, sweetbread, butter and coffee. Missions throughout the city did their share in contributing to the thankfulness of the city's poor. The Central Union Mission, the Florence Crittenton Mission, and the Gospel Mission all served turkey dinners to the unfortunate.

Besides the substantial cheer for the inner man, the missions also provided thanksgiving for the spirit in a series of games and sports lasting throughout the afternoon and evening. The Gospel Mission held services commencing hourly at noon and continuing on throughout the afternoon and evening. The effort to make the children of the orphanages happy was put forth in practically every institution in the city.

OFFICIAL DEFINES "DESETER."

Soldier Who Quits and Then Returns May Get Pension.

If a soldier deserts from the army, and then changes his mind and returns, he is a deserter. The question has been put up to Charles Marshall Foree, acting Comptroller of the Treasury, and he has decided that the soldier is not a deserter.

"Deserter," says Mr. Foree, "is an unauthorized absence from military service by an officer or soldier with the intention of not returning."

As a result of the decision, Patrick Carson, who served as a private in the civil war in the Tenth Missouri Cavalry, who was recorded as deserting July 22, 1862, and who was present on the muster-out roll September 29, 1862, will not be classed as a deserter and will be entitled to the pension privileges of a bona fide war veteran.

WILL FIGHT LOCAL SALOONS.

Senator Shepard Plans Measure to Wipe Them Out.

A constitutional amendment providing for national prohibition is to occupy a place among the important problems that Congress will consider during the coming session. Senator Morris Shepard, of Texas, announced Wednesday that he would introduce a resolution carrying such an amendment as soon as the session begins.

Senator Shepard will endeavor to put through a bill wiping out the saloons in the city of Washington.

'CHURCH TO WIN BY TURK'S FALL'

Alexandria Pastor Says Weakened Mohammedanism Will Hasten Christ's Kingdom.

UNION SERVICES HELD

Workmen Unearth Old Wine Vault. Thanksgiving Day Observed by Virginia City.

Alexandria, Va., Nov. 25.—The setting up of Christ's kingdom will be brought about by the downfall of Turkey, as a nation, the annihilation of Mohammedanism as a religious power, and the recording of the Jews as a nation, according to Rev. Edward T. Kirkley, pastor of the Methodist Protestant Church, who preached today at union services in Second Presbyterian Church.

"If we expect Jesus to be King of this country we must clean up the traffic, white slavery, corrupt politics, injustice between capital and labor, and immorality," said the speaker. "World-wide peace will come only through Jesus, and it cannot be bought with money."

Congregations of the Second Presbyterian, First and Second Baptist, Methodist, Episcopal, South, Trinity, Methodist, and Methodist Protestant Churches took part. A collection was taken up for the Children's Home.

Services also were held in the Catholic and Episcopal Churches. Inmates of the various institutions in the city were made happy with big Thanksgiving dinners.

At noon practically all business was suspended. Large numbers of tourists visited Mount Vernon during the day.

Many donations were received during the day at the Alexandria Hospital, Children's Home, and Anne Lee Memorial Home.

An old vault, believed by many to have been used as a wine vault by former occupants of the house at the northeast corner of Fairfax and Cameron streets, now the Anne Lee Memorial Home, for the aged, was unearthed today by workmen. It is of brick and was about four feet under the ground. The workmen are excavating directly in the rear of the above-mentioned home, the strip of land having recently been acquired by the Corby Bakery to be used as a driveway to its plant, which faces on Lee street.

To raise funds for its annual Christmas charities, Alexandria Lodge, No. 728, Benevolent and Protective Order of Elks, will give a euchre and dance at its hall Thursday night, December 2. Money from this will be used in having baskets filled with seasonal goods and distributed among the worthy poor of the city.

Representative Charles C. Carlin will deliver the memorial address before Mount Vernon Lodge of Elks Sunday night, December 5. Robert S. Barrett, of this city, will speak before Bluefield Lodge at Bluefield, Va. Mr. Barrett will be accompanied by James W. Balis, president of the State Association of Elks.

The annual inspection of Canton No. 1, Patriarchs Militant, L. O. O. F., will take place at 8 o'clock Monday night at Odd Fellows' Hall. Arrangements have been made by the Ladies Auxiliary to serve an anguiter surprise in the assembly hall from 5 to 9 o'clock that evening.

Frank W. Smith will present a farce comedy entitled "The Country Store" at the Young Men's Sociality Lyceum tomorrow (Friday) night for the benefit of Mrs. George T. Craven.

"Maroon and White," published by the students of the Alexandria High School, has just been published for the current month. Dolly M. Callahan is editor-in-chief.

The funeral of Mrs. Octavia Walker, who died yesterday afternoon, will take place at 10 o'clock Saturday morning from her late home, 322 Duke street. Services will be conducted by Rev. E. V. Rogers, formerly presiding elder of Washington District Methodist Episcopal Church, South.

Andrew Jackson Lodge of Masons tonight paid its annual visitation to Alexandria-Washington Lodge, the Master Mason degree being conferred by officers of the Alexandria-Washington Lodge.

Friendship Council, No. 28, Sons and Daughters of Liberty, will hold a social at their hall tomorrow night.

A recent publication of the Dominion Department of Immigration shows that only 14,788 immigrants arrived in Canada during the fiscal year ended March 31, as compared with 197,530 in 1914. The problem of immigration after the war is being discussed in Canada and Great Britain.

BOOKS ARE HER WORK AND PLAYS HER PLAY

MARY AUSTIN

Mary Austin, whose new book, "The Man Jesus," is exciting much comment, divides her years pretty evenly into work, chronologically and geographically—a winter of work in the East; a summer of rest and amusement in the West. The writing of books she looks upon as her work; the making and producing of plays her fun. She has just had a play given at the San Francisco Exposition, and has now left her California home to return to New York.

Dies After Slaying Young Wife.

Atlanta, Ga., Nov. 25.—Robert Waldrop, 21, died today of a bullet wound inflicted by himself last night, after he had shot to death his young wife, from whom he had been separated three weeks. The tragedy occurred on the street near the Y. W. C. A., at which Mrs. Waldrop was staying. Waldrop had just seen a problem play at a local theater.

MARINE BAND RETURNS FROM TOUR OF COUNTRY

Nearly Ninety Concerts Given During Trip—Home-coming Entertainment Planned.

Lieut. William H. Stenmann returned yesterday with the rest of the Marine Band after an eight weeks' tour of the country, in which the band played in so many cities that the director could estimate them only at "eighty or ninety."

It was a great trip, said Lieut. Stenmann last night. "We played to 12,000 people in Chicago, and in Cleveland we had to give a return engagement on the way back. The band played in Wheeling the first stop, en route to Cleveland, Milwaukee, Minneapolis, St. Paul, Duluth, Grand Forks, N. D.; Two Cities, Iowa; St. Louis, Indianapolis, Sioux City, and as far West as Kearney, Neb. We made a flying trip and slept in special cars. It was most successful."

The band will give a home-coming concert at the Belasco Theatre on Sunday, at which Washingtonians will have their first chance in two months to see and hear the band.

It will be a neutral program at the Belasco, Lieut. Stenmann said. All of the warring nations will be represented, and the program will combine most of the numbers played in both afternoon and evening concerts while the band was away.

LIKED BARBER'S SHAVE.

Mount Holly, N. J., Nov. 25.—George Hohn, head barber at the Washington-Tenney Emporium of Mount Holly, was reading a newspaper during a lull in the chin traffic when the doors flapped, a stranger entered and asked George's name. George admitted it and the stranger, producing a card to show that he was an attorney from New York, informed him that he is to receive \$15,000 under the will of Francis E. Miller, who died in New York eight months ago.

It was lucky that George was not shaving any one.

WANDERLUSTERS TAKE THANKSGIVING HIKES

Morning Party of Pedestrians Joined at Bethesda by Group of 110 in Afternoon.

Two parties of Wanderlusts went out yesterday on a Thanksgiving Day hike. The first party, led by L. W. York and John Boyle, Jr., started from Cabin John Bridge at 9 o'clock and went to Bethesda, Md., where they were joined by the afternoon hikers.

Thirty-two pedestrians were in the morning party, which stopped six miles from Cabin John Bridge to camp and eat. Coffee was served, lunches which many had taken were eaten and provisions purchased in a neat camp were cooked and consumed. The party rested at the camp from 12:30 until 2:30 o'clock, and walking about two miles to Bethesda, were joined by 110 other hikers, who had started from Wisconsin Avenue and P streets northwest, led by F. C. Merritt.

The tramp was continued to Chevy Chase Lake by way of the Chevy Chase Club golf links. About ten miles was covered by the hikers who started in the morning.

POLK BLAMES MITCHELL.

Says Gotham Mayor Demanded Corporation Counsel Burr's Head.

New York, Nov. 24.—Blame for the failure to remove the New York Central tracks from "West Avenue" as Elmsworth avenue in this city is sometimes called, was placed at the door of Mayor Mitchell today by former Corporation Counsel Frank L. Polk.

Mr. Polk, now counselor to the State Department at Washington, made public this information while a witness before the Thomas legislative committee. The allegation regarding Mayor Mitchell was made by Mr. Polk in the midst of an angry colloquy with Senator Thompson. He had been asked to assign a reason for asking the resignation of William P. Burr, former corporation counsel, who had been active in trying to force the railroad to remove its tracks. Mayor Mitchell demanded Burr's head, Polk declared.

DEFENDERS OF FISCAL PLAN ARE COMMENDED

East End Suburban Citizens Praise Men Who Upheld Half-and-Half System.

A resolution commending A. S. Worthington, H. B. F. Macfarland and Theodore W. Noyes for their able defense of the half-and-half plan at the recent fiscal inquiry was adopted at a meeting of the East End Suburban Citizens' Association on Wednesday night. The resolution was introduced by W. M. Wood.

"It is conceded by everybody," said Mr. Wood, "that these three performed the highest service that could be performed by any human being. For no compensation whatever they labored hard in the presentation of data for continuance of a form of government under which Washington has prospered and been converted out of a mud hole into a beautiful city."

W. J. Clements and others protested against the construction of an underground viaduct in place of the grade crossing at Benning. Michael Walsh was admitted to membership.
